MEMBER NOTICE

New Members Portal Invite Emails Have Been Sent

Dear members,

Taunet Nelel has upgraded our website and members area. If you are already an Association or Welfare member, you should have received an email invitation to activate your login on the new portal.

What to do

1. Check your email inbox (and Spam / Junk folder).
2. Open the invitation from Taunet Nelel.
3. Set a new password when prompted.
4. Sign in at the members portal using that password.

Sign in: <https://taunetnelel.vercel.app/members/auth.html?tab=signin>

Join / activate: <https://taunetnelel.vercel.app/members/auth.html?tab=join>

Important

This does not change your membership status. The email only creates your login for the new website. Old website passwords will not work - please use the invite link to set a new password.

Did not receive the email?

Confirm the committee has your current email address, or use Join with the same email we have on your membership record. For help, contact info@taunetnelel.org.

Thank you for your patience as we improve our systems.

- Taunet Nelel IT team
