

Quick email test - leadership only

Dear committee, we are testing the new Taunet Nelel member portal emails before we write to the wider membership. You will receive one test message shortly.

What we are testing

That portal mail from Taunet Nelel arrives safely, looks official, and is not treated as junk. This is not a marketing blast and not a request for money.

From: Taunet Nelel <members@taunetnelel.org>
Subject: Set your Taunet Nelel member password
(or Reset your Taunet Nelel member password)

Please could you help?

1. Check Inbox first, then Spam / Junk.
2. Open the message from members@taunetnelel.org.
3. Reply on WhatsApp: Inbox or Spam.
4. If it is in Spam, tap Not spam and add members@taunetnelel.org to Contacts.

It would be a pleasure to hear back

A one-word reply is enough: Inbox or Spam. Your feedback helps us fix delivery before members receive their invites. Thank you for your time.

WhatsApp copy-paste

Hi committee - we are testing Taunet Nelel portal emails before members get them. Please watch for mail from members@taunetnelel.org (Set / Reset your password). Check Inbox then Spam. Kindly reply Inbox or Spam. If Spam, tap Not spam and add that address to Contacts. Thank you.
