MEMBER NOTICE | SECOND INVITE

Members Portal - Fresh Password Links

Dear members,

Taunet Nelel has moved membership login to our new website. We are sending a second password email so every member can finish setting up their login on the new portal.

Our apology

We are sorry. Many members who opened the first portal invite hit a dead end: the link opened the sign-in page instead of a clear "Choose a new password" form. That was our mistake, not yours. The password-reset form is now fixed on the website. Please ignore the first invite email and use only the NEW password email we are sending.

What to do now

1. Check your inbox for a NEW email from members@taunetnelel.org (also check Spam / Junk).
2. Use that NEW email only - do not reuse the first invite link.
3. Tap "Choose a new password" or "Set your password".
4. You should see the Choose a new password form - enter and confirm your password.
5. Sign in at the members portal with that new password.

From: Taunet Nelel <members@taunetnelel.org>

Sign in: <https://taunetnelel.vercel.app/members/auth.html?tab=signin>

If the link expired: use Forgot password? on that page for a fresh link.

Important

This does not change your membership status. Old website passwords will not work. If mail lands in Spam, mark it Not spam and add members@taunetnelel.org to Contacts. That helps future Taunet emails reach your Inbox.

Still stuck?

Confirm the committee has your current email, or write to info@taunetnelel.org and we will help you activate your login.

Thank you for your patience - and again, we apologise for the dead end with the first invite.

- Taunet Nelel Committee & IT
